PLEASE READ

The low prices in this sale are due to the fact that we wish to close out varieties of which we have comparatively small quantities before starting to sell at wholesale only.

This sale ends, and all retail prices are withdrawn January 1st, 1928. Delivery will be made in March or April, 1928, *unless delivery at some other time is requested.*

These prices are for bulbs over 1 1-4" in diameter, and include free delivery. If desired, two half-size bulbs will be furnished for the price of one large bulb.

We guarantee our stock to be true to name, clean and healthy, but only to the extent that we will refund the purchase price of any bulbs found to be otherwise.

All stock offered subject to prior sale. As this is a clearance sale, if we are sold out of large bulbs we reserve the right to substitute a larger number of smaller bulbs, or, in the case of small quantities, another variety of equal or greater value, *unless instructed not to do so.*

Our wholesale price list will be ready about December 1st, and will be sent on application to those who desire to purchase larger quantities.
